# The Beacon

## Volume I

1947

Published by  
The Student Body  
of  
Person County Training School  
Roxboro, N. C.

# Foreword

The staff presents with pleasure this first volume of "The Beacon" in the year 1947.

We sincerely hope that the contents of this volume will serve as an everlasting memoir of our happy years at Person County Training School and also serve as a record of the outstanding events of 1946-1947. We have presented class pictures, pictures of various clubs, of the staff and the faculty, together with detailed accounts of outstanding activities which have taken place during the year.

We especially express our appreciation to our principal, Mr. T. C. Tillman who inspired us to publish this volume, Mrs. H. H. Fountain and Mrs. L. W. Johnson sponsors, and to other members of the faculty, the student body and subscribers for their whole-hearted and loyal support, without which this publication would have been impossible.

## MEMORIES

This is a survey of the 1947 Graduating Class of Person County Training School.

Its component parts are 34 young men and women ranging from below average to super.

Nine of its components are tall dark and handsome - twenty five are charming and demure.

Its combined weight is 4,072 pounds ranging from Esther Margaret's 101 to Leroy's 180. Its combined height about 180 feet ranging from Hazel's 5' to Richard's 6'1".

Of all the classes in Person County Training School in the year of 1943 we were the most numerous - 110, and perhaps the smartest. Since our entrance into high school we have placed more students on the honor roll than any other class. We rapidly became a part of the school.

The Autumn of 1944 found the majority of us returning with the proud distinction of being sophmores. The war years curtailed out activity program, but our candidate won in the popularity contest, and was crowned "Miss P. C. T. S." With our heads held high we marched forward trying to attain further goals. "Not Singly But Together" was our motto.

During our Junior year we began to put aside childish customs and thoughts. Our dreams were soaring to the skies. Never to be forgotten will be our first year in Chemistry and Latin. Having reached years of discretion, and because of our immediate nearness in place to the Seniors, we were as a class studious and ambitious. During this year we again raised the largest amount of money in the popularity contest and our candidate was crowned "Miss P. T. C. S." Four members of our class were on the boys' basket-ball team and five members of our group were on the girls' basket-ball team. Our class still led in scholastic achievement.

The fall of 1946 found our class greatly depleted in number. From the original 110 we had decreased to 32. In

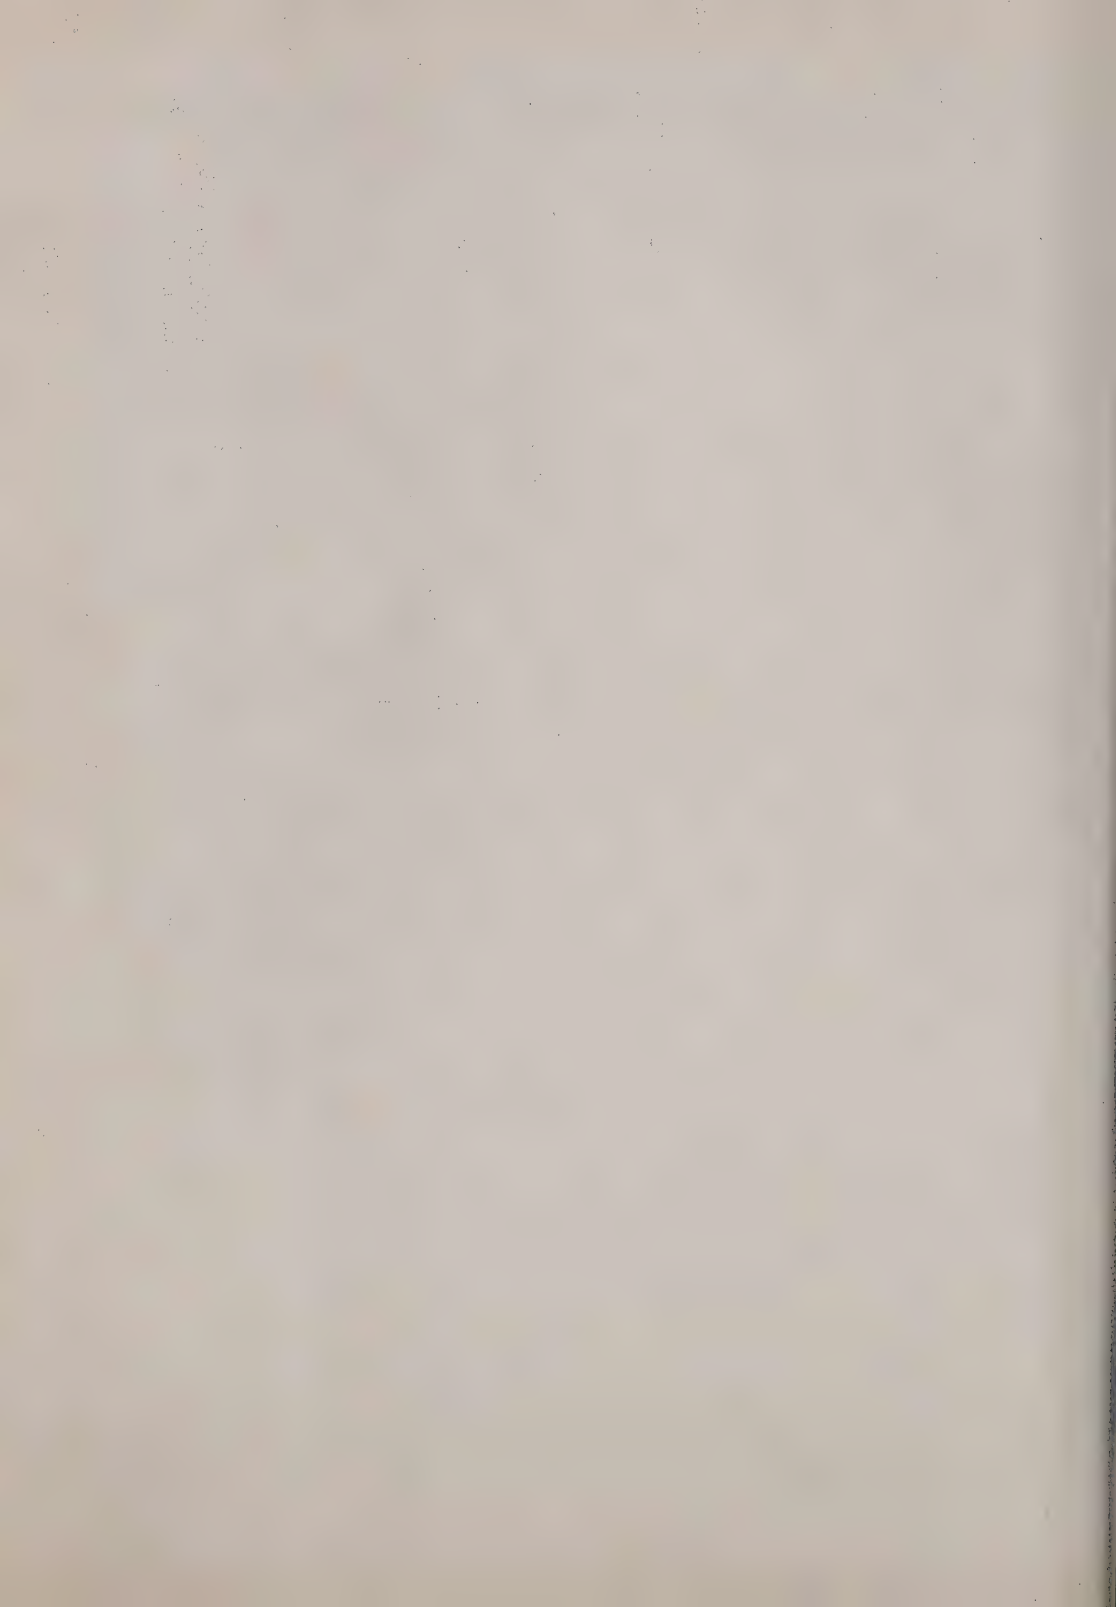

this year we were joined by two new members, one from English High in Boston, Mass., and the other a veteran of Roxboro.

As it should be our class has led this year in the number of students on the honor roll. Again we led in the largest amount of money raised in the popularity contest. Three of our boys and five girls are members of the basketball teams. One member of our group was district winner in the 4H Club Dressmaking Contest. Two members of our group were county winners in the Good Health Association oratorical contest, and two members of our group were first and second place winners in the Ministerial Alliance Oratorical Contest.

We are unhappy in leaving the dear teachers, fellow students and our school, but when we think of the great goal that we have reached we are happy. Our future years will not be easy ones, but we shall meet them with eagerness. With every ounce of our strength we shall try to uphold our motto: "Never look back at the past, but strive for the future."

#### Senior Class Superlatives

Prettiest Girl .....	Esther Clay
Most Handsome Boy .....	Richard Brooks

## THE JUNIORS

In September 1944, eighty one young people entered Person County Training School as green as grass, but with loads of good faith for improving themselves. We rapidly adjusted ourselves to the new situation, taking part in various activities and subjects which would mean more to us in the future.

The Autumn of 1945 found only a few of us returning for further schooling. The new tasks being very similar to those of the previous year and less difficult, gave us more leisure time to engage in other activities. We were very proud to leave the Freshman Class because of all the pupils in high school, Freshmen were considered the most inhuman, the most treacherous, the most insufferable and the most shunned. Eager for more credits and further praises, we studied very hard and almost all of us were rewarded by statements saying that we were Juniors.

We entered the Junior Class in August 1946. We are a very important and powerful grade, first because we have reached years of distinction and secondly because of our nearness in place to the Seniors.

We have taken possession of Room 7. Several members of our class have shown progress in a special course in typing. The two things that we are looking forward to most are a "super" prom given in honor of the Senior Class and the day when we will become "dignified Seniors."

 Standing Left to right: Egilantine Gentry, William Dickens, Thomas Allen, Austin Lee, Leroy Winstead, Alexander Springfield.

# BASKETBALL TEAM ENJOYS FAIR SEASON

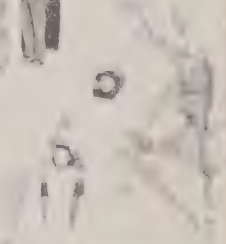

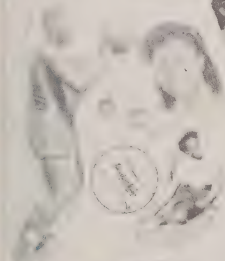

We opened the season before Christmas by defeating six weak teams, then out of our first six games after Christmas we dropped three games to three weak teams. We were loaded in each game down through the season with fundamental weaknesses that we could not overcome. It took no basketball connoisseur to recognize our jitters and tenseness in every game we played especially when the chips were down. In other words we tightened up in the pinches. We did our best as a young and inexperienced conference team, but we intend to improve our status as title and tournament contenders next season.

We won the Fall Line Tournament held in Louisburg and then dropped out of the Fayetteville Invitational Tournament in the first round 45 - 46 to E. E. Smith of Fayetteville. This game was lost through tightness and tournament inexperience. Next year brings another basketball season and we, as a team, will bring better basketball.
